---

If there is to be peace in the world, there must be peace in the nations;  
If there is to be peace in the nations, there must be peace in the cities;  
If there is to be peace in the cities, there must be peace between neighbors;  
If there is to be peace between neighbors, there must be peace in the home;  
If there is to be peace in the home, there must be peace in the heart.
